KASHRUT CERTIFICATION

To whom it may concern:

This is to certify that after my personal visit to both plants of “FRAMBERRY CHILE S. A.” at Osorno, Chile; and by establishing a continuous control through local Jewish Orthodox Mashgichim, and having checked and supervised all the processes and equipments, used to get the following products:

- 1) BLACKBERRY FROZEN OR REFRIGERATED.
- 2) BLUEBERRY FROZEN OR REFRIGERATED.
- 3) RASPBERRY FROZEN OR REFRIGERATED.

Are “*Kosher Pareve*”; only if produced by “FRAMBERRY CHILE S. A.” using several brand names in different sizes and presentations.

Special Kosher for Pessach (Passover) production is able by request; only if sealed specifically as it.

This certificate allows legally and according the Jewish religious laws to bear our Kashrut seal as shown below on each packing unit of any weight, brand names and presentations.

Even a professional high standard “Tolaim” (any kind of insects including thrips) control; is done by process, rechecking is concern to final Kashrut consumer authority.

Valid for the whole production and all the shipments until March 31st 2008 and will be renewed in that time, if the Kashrut conditions will be continuing.
